Is your Community Group applying for the **Climate Challenge Fund**? Have you submitted an Expression of Interest and are onto the next stage of writing a **Detailed Project Plan**? Would you like to discuss this and develop your plan with a Zero Waste Scotland Staff member for one to one advice? Then here is your chance.

Book a half hour slot to come and speak to us about your community project on;

- Reducing food waste
- Re-use
- Reducing textile waste
- Recycling
- Energy Efficiency in the workplace.

To book a session please contact Norma, details opposite.
