

Support our Community Gardening

Help us keep Broadford beautiful, blooming and bountiful!

Our Community Gardener works hard to develop and maintain green and growing spaces by:

- Supporting volunteers and local food growing for the Community Fridge and pick-your-own
- Looking after Broadford's seafront Community Garden and village planters
- Keeping our local paths network accessible and attractive
- Supporting the garden at Broadford Primary School and other green spaces

"What an improvement!" "A miracle worker!" "What a difference your hard work makes!" Facebook comments

A fantastic opportunity for local businesses

We're inviting your business to help us continue this vital work for another year.
Your support will be publicly acknowledged on our website and social media.

Sponsor us online at justgiving.com/campaign/community-gardening (scan QR code)

Contact us if you prefer to be invoiced or for any other enquiries:

Norma or Christine, mail@broadfordandstrath.org / Tel. 07747 606454

Thank you for making a difference in our community
